## Escape to your Hinterland – Tamborine Mountain

Disappear into the cooler, green rainforests of Tamborine Mountain and surrounds. The mountain climate makes for an ideal escape from the heat of the coast. Because of its altitude, Tamborine Mountain has a much cooler and less humid climate than the Gold Coast & Brisbane, situated high on the Mountain plateau.

Wander the walking trails, discover the hidden delights of eclectic boutique shops, and visit the wineries, breweries and distilleries on offer. You can find locally made clothing and jewellery, ceramics, gemstones, and local/Indigenous art. There's lots of fresh local produce like coffee, flowers, honey, as well as organic avocado and rhubarb to purchase.

Explore the rainforests and national parks on foot, with a choice of more strenuous hikes on offer. The waterfalls are at their best during the wet season.

Tamborine Rainforest Skywalk will take you high above the rainforest canopy, the Glowworm Cave will show you the mysteries of nature. Discover Mountain-inspired beer, wine and gins, and locally grown coffee. Sit and enjoy great food or simply wander down the famous Gallery Walk.

Discover more of this charming Mountain, just an hour south of Brisbane, nestled in the Gold Coast Hinterland.

## Market days are Fun Days...

On Tamborine Mountain you can visit three distinctively different markets happening every month, you are spoilt for choice - **there is something for everyone!**

## Tamborine Mountain Country Markets

When and Where

**Second Sunday of each month - 8am to 3pm** at the Tamborine Mountain Showgrounds Cnr Main Western & Bartle Rd.

H2  
MAP REF

The "Tamborine Mountain Country Markets" offer a huge range of fresh fruit and vegetables, wonderful locally produced cheeses, plants, herbs, flowers, coffee, arts and crafts, collectables, garden ornaments, clothing, a myriad of home made things and delicious temptations of all kinds. There is plenty of ready-to-eat food on offer, there's excellent coffee, poffertjes (Dutch pancakes), German sausages (try the "Knackwurst" with mustard - yum!) or be tempted by baked jacket potatoes or fresh corn on the cob.

For the kids there are pony and small "car" rides and a jumping castle, while the "big" kids check out the singer or performer on the

gazebo stage, giving these markets a relaxing country atmosphere. Large shady trees keep you cool in summer, and some open areas allow you to soak in the sun on cooler days.

There is limited on-street parking all around "Main Western Road" as well as SES volunteer coordinated parking inside the grassy showground off Normandie Court.

The coolness and fresh air of Tamborine Mountain invites you to really enjoy the "Tamborine Mountain Country Markets" - it's a great day out for everyone!

☎ 0417 618 379

## Tamborine Mountain School Ground Markets

When and Where

**Last Sunday of each month - 8am to 2pm** at the corner of Long and Curtis Road.

E5  
MAP REF

The "Tamborine Mountain School Ground Markets" are a true country village market in support of the local State Primary School P&C's fundraising efforts. They have become an institution for locals and mountain visitors alike. It could probably best be described as a mixture of a country market, a more traditional "flea market" and a huge but still local garage sale.

Many stall holders are local residents offering anything and everything no longer needed in their households. Kitchen utensils and accessories, crockery and cutlery, crystal ware and collectables, clothing and shoes, toys, sound records, books, tapes and DVDs, heaps of assorted bric-a-brac items - the range of items on offer

need to be seen to be believed. Also old tools, small items of furniture, paintings, vases, Australiana, leather work - the list goes on and on...

Also on offer are local fresh produce such as fruit and veggies, eggs, plants, nuts, soaps and cookies, freshly squeezed juices and of course, a good cup of coffee.

So come on up, find that special piece, fossick through the treasures, stock up on fresh local produce and most of all - enjoy your visit to Tamborine Mountain.

☎ 0402 527 241

## Local Producers' Market

When and Where

**Every Sunday morning - 6.30am - 12pm**. Next to the Tamborine Mountain Showgrounds 378-382 Main Western Road

H2  
MAP REF

The "Local Producers' Market" is the local market for fresh, mostly organic fruit & vegetables. On offer are flowers, honey, nuts, herbs and plants, local fresh fruit and veggies, also preserves, plants, fruit-juice, coffee etc.

A wide variety of high quality, freshly picked, mainly organically grown produce is always available and changes with the seasons. Tamborine Mountain is the source of an enormous variety of horticultural produce such as avocados, kiwi fruit, rhubarb, vegetables and flowers.

There are many large, specialist orchards on Tamborine Mountain,

but much of the produce on offer comes from small farms or large residential blocks. Horticultural activities give Tamborine Mountain its green, unspoiled character, which is one of the main reasons for the large numbers of tourists that visit Tamborine Mountain time and again!

✉ info@greenshed.com.au | 🌐 www.greenshed.com.au

Many natural attractions greet the Tamborine Mountain visitor. A number of breathtakingly beautiful waterfalls are located all over the mountain and are often the reason why so many visitors return time after time. After prolonged periods of rain, waterfalls are at their most spectacular, but all flow year round. A bit of walking is always involved when visiting one of the many waterfalls on Tamborine Mountain. It is hard to pick any particular waterfall as being "the best" - all of the waterfalls have their own special beauty, and need to be seen to be appreciated!

Tamborine Mountain is part of an ancient volcanic rim with an elevation of around 550 meters above sea level. The many natural attractions on offer include fantastic lookout points, allowing visitors to gaze in the distance and enjoy uninterrupted views to the surrounding hinterland and coastline. Towards the East, visitors are rewarded with breathtaking coastal views often stretching from Moreton Bay to Tweed Heads. At night, the Surfers Paradise skyline comes alive with thousands of lights twinkling in the distance and a light breeze coming from the ocean.

**D5** **"Curtis Falls"** Located in the heart of beautiful Tamborine Mountain, "Curtis Falls" is the only waterfall that can be viewed from the bottom. Being fed by a permanent creek, the falls run all year round. The walking track ends at a viewing platform overlooking a large rock pool, with great views of the falls and the surrounding columnar basalt rock face.

**A5** **"Cedar Creek Falls"** A short stroll from the car park at the end of "Cedar Creek Falls Road" provides access to Cedar Creek and some of its spectacular cascades, waterfalls and rock pools. Visitors pass a couple of rewarding lookouts and descend down into the open canyon via a sealed pathway. As Tamborine Mountain is not connected to town water, these are the only swimming holes on the mountain. Please observe all regulatory notices.

**B3** **"Cameron Falls"** The top of the falls is reached after a very enjoyable 30 minute walk starting at the "Knoll Road" lookout. A secure concrete bridge crosses "Sandy Creek", a viewing platform a few metres to the west offers great views inland as well as looking onto "Cameron Falls" to the east.

**E3** **"Witches Falls"** Being located within Queensland's first National Park, "Witches Falls" is one of the most popular waterfalls. Access is via the "Main Western Road" car parking area opposite "Hartley Road". Being located on the "Witches Chase" hiking track, the falls are best admired from the viewing platform which also offers great inland views.

## INLAND LOOKOUTS

**B3** **"Knoll Road"** - Also a great picnic spot, well maintained and easily accessible.

**B2** **"Cameron Falls"** - 30 minute hike from "Knoll Road" lookout, views inland and onto the falls.

**B1** **"Beacon Road"** - Quiet and less frequented at the very end of "Beacon Road".

**E2** **"Witches Falls"** - 25 minute hike from "Main Western Road", views inland and onto the falls.

**F2** **"Rotary Lookout"** - Easily reached by car, right on "Main Western Road", with seating and binoculars.

**G2** **"Hang Gliders"** - Cleared escarpment section, popular hang glider launch site and top photography spot.

## COASTAL VIEWS

**A8** **"Eagle Heights Resort"** - Offering truly uninterrupted views, plenty of parking and open to anyone.

**B8** **"Magnetic Drive"** - Views partly obstructed by trees, limited parking and large turning circle.

**G4** **"Licuala Drive"** - Park at "Justin Avenue" and stroll back uphill, watch out for traffic.

**J6** **"Guanaba Road"** - Take great care when parking and please consider residents' privacy.

**K6** **"Golf Course Road"** - Great views just a short walk away from where cars can be parked.

# BBQs / PARKS / PLAYGROUNDS

Culinary delights on Tamborine Mountain often mean enjoying a BBQ or picnic in one of the many parks and designated picnic areas. There are a huge number of quiet and secluded picnic areas, some sheltered, some with views, some with children's playgrounds, some with wood or electric BBQs. However you imagine your ideal picnic spot - you are bound to find it on Tamborine Mountain.

## LEGEND

## MAP GRID

## PARK AREA FACILITIES

## DESCRIPTION

A4

### Cedar Creek Falls:

- near carpark

- at boardwalk

Located at the start of the walking trail to "Cedar Creek Falls", there are two distinctly separate picnic areas. The first one is closer to the car park and offers plenty of room and facilities. The second area is reached after approximately two hundred metres walk on a sealed path, just to the right of the beginning of the board walk that leads to the falls.

B3

### The Knoll:

Also a popular lookout, the picnic area at "The Knoll" is beautifully laid out and offers every possible facility including large picnic shelters, electric BBQs and plenty of parking. The "Sandy Creek" circuit walking trail incorporating "Cameron Falls" starts just left of the lookout.

C3

### Geissmann Oval:

A popular area for sporting activities, Geissmann Oval is centrally located just off "Main Street" in North Tamborine. Heaps of picnic facilities and within walking distance of shops, the oval is good for families and larger groups wanting a bit of space away from traffic and noise.

D4

### Doughty Park:

This small park is located within the busy North Tamborine shopping precinct, just a few metres off "Main Western Road". It offers limited children's playground equipment and picnic facilities. Due to the proximity of traffic, children need to be supervised at all times. Here you will also find the Visitor Information Centre.

D7

### Staffsmith Park:

Featuring the Mountain's largest children's playground (fully fenced and covered with shade cloth), this park offers great facilities such as a dog leash free area (also fully fenced) and a 7-station exercise track.

E5

### Lions Park:

Offering basic picnic facilities, the "Lions" Park has plenty of room for the kids to roam around. Large trees provide shade on hot days and cooking can be done on a number of wood-fired BBQ's.

K3

### Rosser Park:

Just across the road from "Gabby's Café" and the "St Bernards Shopping Village", this park is easily accessible and well visited, offering sheltered picnic settings and wood fired BBQ's.

K4

### Guanaba Park:

Just past the Golf Course on the left side of the road when heading up the mountain, "Guanaba Park" is a great area for kids with good playground equipment and space for games of all kinds.

M1

### Lahey Lookout Park:

At the southernmost point of Tamborine Mountain this was once a very popular lookout area including a viewing tower to give early settlers advance warnings of approaching bush fires. With the tower now gone and trees obstructing the views, this small park is now a quiet picnic area, offering a variety of facilities.

## JOALAH SECTION

**Access:**  
From both Eagle Heights Road via a 400m track and from Dapsang Drive.

## DESCRIPTION

**D5** **CURTIS FALLS**  
MAP REF 1.5km return, moderate grade with some steeper sections, allow about 60 minutes.

The track begins in wet eucalyptus forest beneath towering flooded gums. You will notice a drop in temperature as this turns into lush rainforest. The track gradually descends to Cedar Creek, turn left to reach the viewing platform overlooking a large rock pool, with great views of "Curtis Falls" and the surrounding columnar basalt rock face.

**D/C5** **JOALAH CIRCUIT**  
MAP REF 4.2 km return, allow about 1 hour, moderate grade.

Instead of heading back from Curtis Falls, you can follow the piccabeen palm-fringed creek which starts at Curtis Falls to the beginning of the circuit, passing several smaller cascades. Starting the circuit walking left you will soon cross Cedar Creek. The track passes a clearing which was created by a fallen giant strangler fig. Walk the lower circuit in an anti-clockwise direction. Eventually you will reach an easy hop-over boulder creek crossing, and then the track returns left towards Curtis Falls.

## CEDAR CREEK SECTION

**Access:**  
This section of the park is easily reached via Tamborine Mountain Road. Heading up the mountain from Tamborine Village, the turn-off to "Cedar Creek Falls Road" is just past the information map stopping bay on the left, on the same sharp right bend as the turn-off to "Thunderbird Park".

## DESCRIPTION

**A5** **CEDAR CREEK FALLS LOOKOUT**  
MAP REF 500m return to lookout, allow about 15 minutes, easy grade.

This flat track from the car park to the lookout is suitable for strollers and has access for assisted wheelchairs. The lookout at the end of the walk offers nice views of the waterfalls, cascades and a series of rock pools popular with swimmers. Car parking is limited during busy periods.

**A5** **CEDAR CREEK FALLS ROCK POOLS**  
MAP REF 900m return from lookout, allow about 30 minutes, moderate grade.

This track provides access to Cedar Creek and some of its spectacular cascades, waterfalls and rock pools. Walkers descend down through open forest and dry rainforest and arrive at these popular swimming holes after crossing extensive jumbled rock scree slopes just before the creek.

Access to the swimming holes is easy via slope rock shelves, care needs to be taken as these rocks can be slippery. Jumping from the cliffs is strictly prohibited, due to submerged rocks and other hazards. The water can be quiet cold, even in the peak of summer.

## WITCHES FALLS SECTION

**Access:**  
The start of the walking trail is easily accessible off "main Western Road". For the "Witches Chase Track" turn into Beacon Road at the local servo, further down keep left at the fork taking the aptly named road "Witches Chase". Car parking is at the start of the walk where the road turns sharply right to become Colville Drive.

## DESCRIPTION

**E2** **WITCHES FALLS CIRCUIT**  
MAP REF 3.1 km, allow about 1 hour, moderate grade.

The southern start of the track descends down the steep mountain side through open forest, allowing great views. It flattens out and continues through a stretch of seasonal lagoons. "Witches Falls" are reached just past the northern return track T-junction. Return via the northern exit track zigzagging up the mountain through dense rainforest.

**D1-2** **WITCHES CHASE TRACK**  
MAP REF 2.7 km return, moderate grade.

This walk also starts at "Main Western Road". It descends down the mountain using the northern track to the "Witches Falls" waterfall and lookout, and continues along the cliff through rainforest, passing a huge boulder field making for a slightly more challenging terrain towards Beacon Road. Once you passed the boulder field either turn around and head back, or keep following the track until you reach the car park at the end of "Witches Chase".

## MACDONALD SECTION

**Access:**  
Turn into "Wongawallan Rd" at the upper roundabout of "Gallery Walk", parking is about 200 metres down the road on the left opposite the "Heritage Centre".

This precious tract of subtropical rainforest was named after Miss Jessie MacDonald, who generously donated part of this area to become a National Park in 1933.

## DESCRIPTION

**D6** **MACDONALD CIRCUIT**  
MAP REF **1.4km return, allow 35 minutes, easy grade.**

This relatively flat loop track passes through rainforest with towering strangler figs, beautiful Piccabeen Palm Groves and tall trees with vines and ferns. This walk is popular with bird watchers, and offers visitors a quiet rainforest walk away from street noise and crowds.

## THE KNOLL SECTION

**Access:**  
In North Tamborine, turn off "Main Western Road" into "Main Street", continue past the shops and the residential area where it becomes "Knoll Road", keep left when the road forks.

## DESCRIPTION

**B3** **SANDY CREEK / CAMERON FALLS CIRCUIT**  
MAP REF **2.6 km return, allow 1 hour, easy grade.**

The track descends from the car park to the creek level through transitional rainforest with large flooded gums and Piccabeen Groves. Large black skink lizards can often be seen sunning themselves on this track.

Turn right when reaching the Sandy Creek circuit, and follow the gently sloping track until the track turns sharply left, continuing along the cliff edge. You will soon reach the top of Cameron Falls via a concrete bridge crossing Sandy Creek, offering spectacular views to Mount Flinders and Brisbane.

A branch track to Cameron Falls Lookout just past the bridge enables you to truly appreciate the natural beauty of this waterfall. Complete the circuit by continuing right when returning from the branch track, crossing Sandy Creek shortly before reaching the uphill track back to the car parking area.

## PALM GROVE SECTION

**Access:**  
For ease of parking, use either "Palm Grove Road" or "Curtis Falls Road". Alternatively, this walking area can be reached by using an access track starting at the corner of Eagle Heights Road and Palm Grove Road.

## DESCRIPTION

**E/F6** **PALM GROVE CIRCUIT**  
MAP REF **2.5km return, allow 1 hour, easy grade.**

Access via Curtis Road is recommended, as the access track itself offers many rewards to walkers such as giant strangler figs and amazing root formations. The track zigzags down the mountain before it flattens out to reach the beginning of the circuit. Pass peaceful palm groves and some fascinating fungi on the way.

**F7** **JENYNS CIRCUIT**  
MAP REF **4.5km return, ALLOW 1½ hours, moderate grade.**

Incorporating parts of the "Palm Grove Circuit", this circuit leads into drier eucalyptus forest. Hoop pines, brush box and grey gums abound and walkers will pass through a grove of ancient cycads. Watch for steep cliff edges and remain on the track at all times. Jenyns Falls and Burrawang Lookout tracks are currently closed.
